## **IBIS STYLES ENLIGHTENED NEW HOTEL WITH GU10 LED LAMPS**

The hotel chain Ibis Styles is benefitting from Sylvania's innovative RefLED GU10 lamps at its new office in Nivelles, Belgium. The Ibis hotel was using halogen lamps and was looking for an energy-efficient solution that required little or no maintenance. In a hotel environment it is also important that the lighting works with presence detectors, especially in corridors and other communal areas. LED lamps have the advantage that they provide instant light, do not suffer from high switching frequencies, are perfect for motion detectors and allow additional energy savings to be realised.

The RefLED GU10 lamps by Sylvania met all the criteria and proved to be the best choice for the project. The lamps offer a great quality of light, are highly energy efficient and compact in size. There are 250 RefLED 350lm GU10 (240V) and 60 RefLED 350lm 12V MR16 lamps used in various areas around the hotel. The installer, Mignone from Manage, carried out the installation and ensured it catered to everyone's satisfaction.

**About Sylvania Lamps from Havells-Sylvania**

The Sylvania brand is part of the Havells-Sylvania Group and is one of the world's largest manufacturers of artificial light sources. It has a broad product offering that includes incandescent, halogen, CFL, HID and LED lamps, alongside various special products for the professional specifier. Sylvania lamps are distributed from stock, through national sales operations, as well as via individual countries' professional distribution channels such as wholesalers, specifiers and installers; as well as to the consumer via the retail channel.

Formed in April 2007, Havells-Sylvania is owned by Havells India Ltd, a US\$ Billion plus company. With 94 branches and representative offices worldwide, and over 8000 employees working in more than 50 countries; Havells has grown rapidly since its humble beginnings in Delhi in 1958. Havells has eighteen manufacturing plants in India, Europe, Latin America and Africa; producing globally acclaimed products, including: switchgear, cables, wires, luminaires and lamps.

Havells-Sylvania is a leading, full-spectrum provider of professional and architectural lighting solutions. Built on over a century of expertise in lamps and luminaires, Havells-Sylvania supplies state-of-the-art products and systems to the public, commercial and private sectors, worldwide. Havells-Sylvania strives to deliver the finest products, service and consulting possible. All over the world, people rely on group companies: Concord, Lumiance and Sylvania, for top quality, energy-efficient solutions to suit their individual lighting needs.
